"Gill Gregory's first collection is luminous and suggestive. If these subtle, intelligent and sensory poems have a seductive quality, they are equally poems tempered by a strong awareness of people, and the world, and of histories that are both owned and imagined. They are poems that surprise and resonate."

~ Deryn Rees-Jones

"Gill Gregory's work has the kind of limpid minimalism which other poets envy. Her work has a geographical, temporal and conceptual restlessness which exhilarates and intrigues."

~ Peter Barry

"Gill Gregory's poems are wonderfully succinct and clear. A joy to read aloud."

~ Michael Morpurgo

"Gill Gregory's lean, stripped back poems have the economy of proverb combined with an emotional and intellectual force that resonates far beyond their spare lines."

"... dynamic and also wise  
poetry...."

~ Andrew Teverson
